

MF525x

SMARTER WORK EFFICIENCY

FOR HIGHER-PERFORMANCE RESULTS.

Business Can Be Simple

POSITIONED TO DELIVER ALL-ROUND GAINS.

Experience the cutting-edge features of Canon imageCLASS MF426dw, MF429x and MF525x laser multi-function printers. With an impressive line-up of smart functions, these models deliver high-quality prints matched with incredible speed and seamless connectivity. Designed to make multi-tasking effortless, you can rely on these printers to deliver results consistently.

PROFESSIONAL EFFICIENCY

ONE-TOUCH EASE

Navigation is now much easier with the vari-angle 5-inch colour touchscreen LCD. The intuitive user interface makes tasks such as copying and scanning effortless, with each function just a tap away.

NETWORK CONNECTIVITY

The Gigabit Ethernet connection ensures fast data transfers. In addition, these versatile printers can be connected to the network via Wi-Fi or directly by cable.

CONSISTENT FAST SPEED

Time is critical for productivity. With MF426dw/MF429x capable of print speeds up to 38ppm, and even faster at 43ppm for the MF525x, rest assured that your print jobs will be delivered on time.

TAKE CONTROL WITH DEPARTMENT ID

Department ID is a simple and cost-effective measure to monitor and limit print usage. You can even restrict accessible functions such as Scan or Copy.

HIGHER PRINT YIELDS

Enjoy greater print yields of up to 9,200 pages (MF426dw/MF429x) and 20,000 pages (MF525x) with the optional high-yield toners. This means less frequent toner replacements, and more time to focus on your core business.

ESSENTIAL FOR YOUR MOBILE WORKFORCE

With Canon's mobile printing capability, you can print directly from your mobile device, using multiple apps such as Canon PRINT Business, Apple® AirPrint®, Google Cloud Print™, Mopria® and Canon Print Service.

PRINT IN SMALL SIZES

The ability to print on small media such as A5 or even A6 size adds even more versatility. You can also print in landscape mode for quicker speed. This is perfect for printing invoices and flyers, or simply reducing the size of your prints.

FRIENDLY MAINTENANCE

ALL-IN-ONE LOW UPKEEP

Canon combines reliable printing with minimal maintenance. For greater convenience, printer toners house the photosensitive drum, cleaning unit and toner reservoir in one cartridge. Better still, an automatic seal removal mechanism makes cartridge replacement effortless.

CUSTOMISED APPLICATION LIBRARY

STAY ORGANISED FOR GREATER EFFICIENCY

The Application Library Function helps to simplify business workflow by empowering you to create custom shortcut icons for frequently used scan, copy or form template functions. By organising icons for regular-use functions on your printer's home screen, you can customize efficiency and productivity to keep pace with your business needs.

ECO-SAVINGS

REDUCE POWER USAGE

The Sleep Mode feature minimises electricity consumption to less than 1W, delivering greater savings and a smaller carbon footprint.
